

QSAC Special Meeting  
Town Hall  
Selectman's Meeting Room  
April 13,2016

Present - Myra Pratte, Edmond Seney, Allan Walker, Val Law, and Irene Wheeler

Discussion of the bid we received last week. We will have to go to bid again as we only received one bid and it was way too high.

The original was divided 3 ways - 1. windows only, 2. shutters only or 3. both at once.

We need to advertise again.

remove sash, remove glass, repair and prime sash, return glass to original windows, putty and repaint casings-filler needed in holes and then painted

**Motion by Elaine/Edmond That we re-advertise using L. smith's notes and on one part or two parts: windows only, shutters only, or both.  
Motion passed.**

The time frame will have to change to this summer or this fall.

The reason we have to rebid is that we did not receive 3 bids. we will advertise in at least the Shopper's Guide, Turnpike Buyer, The Woodstock Villager and maybe others.

We may need another walk through.

Myra has planned a cleaning for the building next Tuesday around 10 am.

**4:18 meeting adjourned.**

Respectfully submitted,

Irene Wheeler, Secretary      Next meeting May 18, 2016
